Hans Zimmer Live – The Next Level European Tour 2025 / 2026

Hans Zimmer enters *The Next Level* – and brings Europe with him! The multiple Oscar® and Grammy® Award winner will return to Europe's biggest arenas in 2025 and 2026 with Hans Zimmer Live – The Next Level.

The Next Level promises a completely new show featuring groundbreaking electronic soundscapes and a spectacular light production that will outperform even Zimmer's previous shows. The "rock star composer and Hollywood rebel" (BBC), currently on a sold-out tour in North America, once again proves himself as an exceptional artist.

"For me, every show is a new journey of discovery," says Zimmer. "With 'The Next Level,' I want to surprise my fans and take them into a sound world like they've never experienced before."

The new show represents Zimmer's relentless drive to push artistic boundaries, explore new paths, and continuously evolve his sound. Zimmer's last European tour in 2023 was an immense success. In sold-out arenas, over 400,000 fans celebrated the composer, a man whose soundtracks have profoundly shaped Hollywood blockbusters for decades. But "The Next Level" will offer something completely new – a new vision, a new journey that no fans should miss.
